Pam,

Following are five individuals who will be flying into Atlanta-Hartsfield International from various locations for the workshop at Coweeta. The workshop dates are October 28-29, 2004. Most will probably want to fly in the 27 and may fly out either 29 or 30 (or later). There are several others that are driving, so I did not send you there contact info. There are also 2 outstanding individuals that I am waiting to here back from. Depending on if they will be attending, I will forward you their contact information to be added to Del Rio's roster.

Thanks, Ted
