

Confidentiality Statement

Thank you for participating in the evaluation for the LTER Network Office (LNO), conducted by University of New Mexico's Institute for Public Policy! Before you begin, please read the following statements about our confidentiality policies and indicate your consent to participate by clicking the "Yes" button next to: Are you ready to begin?

*Participation in this survey is voluntary.

*Your answers to the questions will remain confidential. The University releases no information as to how any particular individual answers the survey, and does not sell or give away the lists of names and email addresses used in our research.

*You can refrain from answering any questions that make you feel uncomfortable, and you can end the survey at any time.

*There are no foreseeable risks associated with this study beyond those present in routine, everyday life and there is no compensation for participation. There are also no direct benefits to you, but your answers and comments will help LNO improve their services to you and other LTER network colleagues.

*Should you have any questions regarding this survey, you can contact Dr. Amelia A. Rouse by email: amelia@unm.edu; or by phone: 505-277-1893.

If you have questions about your rights as a participant you can contact the University of New Mexico Institutional Review Board at 505-277-0067.

Thank you again!

Operational Note: Please be aware that once you've advanced to the next page, you cannot go back to change your previous answers.

At which site do you do the majority of your work? (pull down menu)

Role

Which one of the following best describes your role at your research site?

Lead PI

Co PI

Information Manager

Graduate Student

Education/Outreach Coordinator

Education Researcher

Site Scientist/Educator

Other (please specify)

Information managers only

The next several questions are specifically for Information Managers. However, certain areas in the rest of the survey deal with evaluation issues that might be more pertinent for your LTER research and education colleagues; some questions may appear to not quite fit your circumstances. Please answer as best you can from *your perspective*, using the 'Don't Know' buttons as needed. Shortly, we will be sending Information Managers a similar survey to address your different perspectives on these issues. Thank you for your participation!!

How would you describe your level of expertise with Ecological Metadata Language (EML)?
