

LTERR Network Office Numbered Publications

To obtain hard copies of these publications, please contact McOwiti Thomas at the LTER Network Office (tmcowiti@lternet.edu).

- 1: Long-Term Ecological Research. 1984. (Available as photocopy only)
- 2: The Climates of the Long-Term Ecological Research Sites. 1987. (Available online)
- 3: Standardized Meteorological Measurements for Long-Term Ecological Research Sites. 1987. (Available online)
- 4: 1990s Global Change Action Plan. 1990. (Print only)
- 5: Long-Term Ecological Research Network Core Data Set Catalog. 1990. (Available online)
- 6: Climate Variability and Ecosystem Response. UDSA Forest Service SE Experiment Station and LTER Network Office. 1990. (Print only)
- 7: Internet Connectivity in the Long-Term Ecological Research Network. 1990. (Photocopy only)
- 8: Contributions of the Long-Term Ecological Research Network. BioScience. 1990. (Print only)
- 9: Long-Term Ecological Research and the Invisible Present, and Long-Term Ecological Research and the Invisible Place. 1990. (Print only)
- 10: Proceedings, LTER Data Management Workshop, Snowbird, UT. 1990. (Available online)
- 11: Long-Term Ecological Research in the United States: A Network of Research Sites (6th edition, revised). 1991. (Print only)
- 12: Technology Development in the Long-Term Ecological Research Network: Status of Geographic Information Systems, Remote Sensing, Internet Connectivity, Archival Storage & Global Positioning Systems. 1991. (Available online)
- 13: Proceedings, LTER Data Management Workshop, San Antonio, TX. 1991. (Available online)
- 14: Guidelines and Sample Protocol for Sampling Forest Gaps. 1992. (Available online)
- 15: Stream Research in the LTER Network. 1993. (Print only)
- 16: Long-Term Ecological Research and Regional Prediction. 1993. Ecological Modelling 67(1), Elsevier Science Publishers, The Netherlands (Print only)
- 17: International Networking in Long-Term Ecological Research. 1994. (Print only)
- 18: El Nino & Long-Term Ecological Research (LTER) Sites. 1994. (Print only)
- 19: Meeting the Challenge of Long-Term, Broad-Scale Ecological Experiments. 1995. (Print only)
- 20: Guidelines for Measurements of Woody Detritus in Forest Ecosystems. 1996. (Available online)
- 21: The International Long Term Ecological Research Network. 1998. A summary of current activities in 15

countries (Available)

22: Data and Information Management in the Ecological Sciences: A Resource Guide. 1998 (Available)
